

## 24 HOUR ACCIDENT INSURANCE

Although we don't like to think about it, accidents can happen. If the accident is serious enough to limit your ability to work, you may be faced with financial stressors in addition to physical ones.

This coverage is designed to provide you and your loved ones with financial assistance in the event of an accident that results in injury or death.

### Coverage Overview

24 Hour Accident Insurance provides a lump sum benefit where:

- a loss or death occurs due to an Accident, and
- where, as the result of accidental injury, the disablement results in a permanent total disability.

The policy also provides coverage for:

- Repatriation costs, and
- Rehabilitation (training) costs should you require special training in order to be qualified to engage in a different occupation following an insured accident.
